### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Calder on 8-6-2004.

The application has been amended as follows:

In claim 8:

- a. line 7, the word "and" has been deleted;
- b. the text -- (c) providing a scraper forming a front wall and a rear wall of the paste cell; and-- has been added after line 7; and
- c. line 8, the expression "(c)" has been changed to --(d)--.

The above changes to claim 8 have been made to more clearly define the structure of the recited paste cell and the position of the paste-shearing member in relation to the paste cell in order to patentably distinguish over the prior art of record.
